

# PEEYUSH SHANKER TRIVEDI

## Automation Engineer

568 kha/373,  
Geetapalli, Alambagh  
Lucknow  
Uttar Pradesh  
Pin Code-226005  
Phone- 9653093751  
Email-peeyusht612@gmail.com

### PROJECTS

#### Credit Suisse Infrastructure Automation

- Create CI/CD pipelines for Linux servers and Windows servers
- Deploy those pipelines using Jenkins through Source code Management
- Automate different scenarios of internal web portals using Selenium and Blueprism

#### Middleware Component Testing

- Testing the functionalities of different middleware components of a vehicle.
- Used Shell scripting for different middleware components like wifi etc.

#### Face detection system using Artificial neural networks

- This was my major project in college.
- Main aim of this project was to identify the faces from input picture.
- Used Matlab as the coding language.

#### Virtual Assistant

- This was a python based project.
- This project was my personal project to impliment voice recognition through python.

### EXPERIENCE

#### Wipro Technologies / Automation Engineer

5/2018-Present

- In the project with Credit suisse, decreased the manual effort in each tower by 50%
- Convencing the customer to move from earlier framework to our Java based framework which cut the execution time to almost half.
- Got new Web portals for Automation which decreased the revenue loss from 10% to 3%

#### Wipro Technologies / Automation Tester

10/2017-3/2018

- Test various middleware componemts of vehicle using shell script.
- Since it was my first project, I spent more time in learning about automation processes

### EDUCATION

#### SRM University, B.Tech

2013-2017

- Stream: Computer Science and Engineering
- Major Project: Face detection System using Artificial neural networks

#### Lucknow Public Inter College, Intermediate

2011-12

### Skills

- Java
- Selenium
- Blueprism
- Jenkins
- Keyword Driven Approach
- Command Line
- Git and Version Control
- SQL
- TestNG
- UFT(Beginner)
- ALM Octane
- Scripted and Declarative pipelines
- Basic Shell Scripting
- Excel
- Python

### Certifications

- MTA Certification  
on Basic Web Development
- Year-> 2015

### Strengths

- Fast Learner
- Eager to learn new technologies
- Innovator

### Hobbies

- Singing
- Learning about new Things
- Travelling
- Reading Physics Books
